To Whom It May Concern:

On behalf of the Staff/Administration/Students of Marion-Franklin High School, we would like to send a letter of appreciation to the "YNOTT Foundation" of Columbus, Ohio. Words cannot express how much we value the time spent with our youth. Your presentation provided information that engaged students on the importance/awareness of making a difference in an individual's life. With the knowledge that they encountered many students employed in inspirational conversation to create an upcoming awareness project for the month of April for their peer. Together with your organization we plan to enlighten all students on the tremendous impact that they could make with donating a life.

Yours truly,

Davina N Ware, Teacher

Pamela Diggs, Principal
